

## Slack Sheep meet all your needs!

We have rams and ewes to fit anyone's needs in both quality and price. We sell over 100 rams, including commercial rams, annually from coast to coast. Many aged and yearling ewes, as well as 150 ewe lambs are sold throughout the year. We always have breeding stock available. Take advantage of our quality and quantity, remember, we have several hundred lambs to choose from!

The 31st "Formula for Champions" Market Lamb sale will be held on April 11, 2009 at the Whitley County 4-H Fairgrounds in Columbia City, IN beginning at 1:30 PM. We have, by far, the most exciting lamb crop in our 30 year history.
